I can go as long it's in the morning. I just need to get to Oakland by 4 for a doctor apt. If you're leaving from the office, I can meet you here in the morning. I've printed out some aerials and other maps for us to use in the field.

Melissa,
If it is too challenging schedule wise, you don't have to come. I leave it to you and Jason to decide.
Thanks!

Hi Laurie,

Here are the directions to the overlook area.

The open space area is called Bedwell Bayfront Park. From 101, exit on Marsh Rd/CA-84E. Head east on Marsh Rd towards the Bay. Once you cross into the park, the Cargill Plant site will be on your left. There is a small parking area on the right side of Marsh Road (located approximately where the "B" marker is on the map below). You can park there and walk up the trail to the top of the hill for an overview of the site.
